STEAMER DAY."-Yesterday was our steamer day in Pioche, and in a certain way was a busy day. Bills were presented by everybody to everybody else, and a large amount of money must have and a large amount of the presenta-tion and payment of bills comparatively little else was done, but now that debta in town are principally paid off, we look for more life in business the balance of for more life in business the balance of the week. There was a general quict all over town yesterday—no drunks or dis-orderly fellows, and with the exception orderly fellows, and with the exception of the postponement of a case or two in the Justice's Court and the issue of a venire for 20 jurous there was little done in that tribunal. Nearly every one is striking a balance on the accounts of the closing year, in order that they may take a fair start with the new year.

HARRINGTON'S CASE .- By a telegram, from the Cierk of the Supreme Court to District Attorney Goldthwaite, informstion has been received that in the case of the State against James Harrington the Supreme Court has affirmed the ruling of our District Court. Harrington shot and our District Court. Harrington snot and killed John H. Lynch in Pioche on the morning of the 6th of July last. He was indicted for murder, and was convicted of murder in the second degree. He was sentenced by Judge Fuller to 15 years imprisonment, and nothing but an esimprisonment, and nothing but an es-cape or the interposition of the pardon-ing power can avail him now. The sen-tence was hardly commensurate, in our opinion, with the enormity of his crime.

ANOTHER CHRONICLE MAP. - The proprietors of the San Francisco Chronicle ffer a map of the United States as a premiam to subscribers to their weekly edition. The map is to contain every edition. The map is to contain every town, village, city, postofflee, mountain, lake, river, railroad, canal, bay, harbor, peninsula and island belonging to the United States. Size, 35x55 inches. On the margin are valuable statistics of the population, wealth, manufactures, agriculture and politics. Charley Wiederpopulation, weath, mandiactures, agri-culture and politics. Charley Wieder-hold, agent for the Daily and Weekly Chronicle in Pioche, will be in receipt of the maps very soon, and will distribute them to subscribers to the Weekly as soon as received.

STRANGE THINGS .- " How strange it should be that this beautiful snow should fall on a sinner with nowhere to go!" says the poet. But we know a stranger thing than that: for a man to go into a gentleman's office, and although he may be writing or doing some other business which requires quiet, yet keep up a clat-ter that would discount a 20-stamp quartz mill, and in a voice as vigorous as that of a brigadier general on parade.

INSTALLATION. - The following officers were installed by the St. John Lodge, No. 18, F. and A. M., on Saturday, Dec. 18: J. F. Hallock, W. M.; D. E. Mitchell, S. W.; Johnson Vivian, J. W.; D. A. Fulks, Treasurer; Samuel McAdam, Sec-retary; S. G. Stebbens, S. D.; A. M. Polleys, J. D.; A. M. Cohn and John May, Stewards; A. J. Blair, Marshal; Wm. L. Recse, Tyler; G. R. Alexander, E. F. Morton, P. J. Cullen, Trustees.

VERY LAST CHANCE!-The law against affles takes effect from January 1st, 1874. On New Year's Eve, Pioche folks will have a last and splendid chance to try their luck in that line. An elegant "turnout," consisting of a "Kimble Buggy" and harness, and a span of horses, will then be raffled off at Hamil-ton's saloon. Only a few more tickets for sale. Somebody must win.

Justica's Count .- The case of the State against Ashim for assault and battery was called up yesterday. Defendant demanded a jury trial, and a venire was issued for 20 jurors, returnable at 11 oclock this morning. The counter charge of assault and battery against fred Pierce stands over until the firstnamed case is disposed of.

More of the Utah Shooting Appair .-S. C. Barnes received a dispatch on Sunday morning, announcing that Johnson, the man shot and dangerously injured one day last week, was still alive. News one day last week, was still alive. News 300 Huhn & Hunt-1k was also received that the man who shot 2300 Huhn & Hunt-1k Johnson had been continued to the man who shot 2300 Huhn & Hunt-1k Johnson had been captured.

FROM SAN JUAN. - The letter of Harvey Boone to his partner in this place, Mr. Dolman, will be found upon our first page. Its great length encroaches largely upon our local columns: yet it is highly interesting, and is well worth the space

Ir anybody should be seen on a "tare" New Year's Day, and trying to drive an elegant "turnout" up Main and Meadow Valley streets, and down Lacour street all at one and the same time, he may be known to be the man who won in the raffle the night before.

THE INJURED.—We are happy to learn that the three men who were hurt in the Raymond & Ely mine on Saturday— Pierce, Henry and O'Neil—are getting along quite well. Prospects of a recovery in each case are very favorable.

JUDGE BRATTY'S DECISION.-Pamphlet copies of Judge Beatty's decision in the case of the Raymond & Ely vs. the Ken-tucky Mining Company are for sale at our publication office, Main street. Price 50 cents per copy. d30-tf

NIGHT SCHOOL. - Adults will have a good opportunity to acquire a knowledge of reading, writing and arithmetic by at-tending the night school to be opened on Monday evening by E. Schoppmann. See advertisement.

S. R. Nicuous has been taking a look at different mining camps in Utah, and brings a good report of things across our eastern boundary line. Mr. Nichols is an old-time Piocher, and expects to re-

FRANK Pro.-Mr. Nichols, who has just returned from a visit to various

camps in Utah, says he saw Frank Pic at Beaver, Utah, about a week ago. BLACKSMITHING.—The firm of Polleys

& Carman, blacksmiths, is dissolved The business will be continued by S. H., Carman, at the old stand.

Wr are indebted to Pritchard's Fast Freight Line for Sunday's Enreka Senti-nel, which was left at our office last

SMORRA's RELIEF. - J. Levin & Co. have just received a new invoice of imported ci-gars, comprising the following celebrated brands: Frou Frou. Criterion. Lewis Moss. Paulins Lucca. Flor del Fumer and Incognita, which will be quite a treat for every lover of the weed, for the coming bolidays. They also have on hand a fine variety of candles.

HOLIDAY PRESENTS .- For a large asscriment of Christman Holiday Goods, at decidedly low prices, go to Manuing's Jewelry Establishment, Main St. d23-6t

Now is THE TIME. - Christmas is coming, and J. Cohn & Bro. are ready for it with the finest lot of everything pretty, gay, nice and cheap of any store in town.
